Description

Two-storey detached house located in Egkomi Municipality.

The house consists of three levels, basement, ground floor and first floor. It has a central staircase and an elevator that connects all levels.

The ground floor consists of an entrance hall, a large living area, a separate dining room, a sitting area with fireplace, a secondary dining room, a large kitchen with an island, a laundry room, two guest toilets and a bathroom.

On the first floor, there are four spacious bedrooms - all with en-suite facilities (the main bedroom has an additional bathroom), a kitchenette, a storage room and two covered verandas.

Moreover, there is a basement that features a heated indoor pool, a sauna, a bathroom, a large pool bar, a playroom and an en-suite maid's room.

Externally, there are multiple sitting areas covered by a pergola, a barbeque area, an auxiliary/ guest room, a bathroom, a beautiful landscaped garden and gated underground parking spaces.

*Title deed is available.

*Photovoltaic panels are included.
