Description

A spacious apartment of 52 sq.m. with an additional 14 sq.m. of covered verandas. Built with high-quality materials, it features a solar water heater, a large living room, a comfortable bedroom, a modern kitchen.

Additionally, it has an independent photovoltaic system, ensuring very low electricity consumption.

The apartment includes a refrigerator, a washing machine, air conditioning units in all areas for both heating and cooling, as well as all necessary furniture and household appliances.

Ideally located just 300 meters from the University of Nicosia and Apollonio Hospital and shopping center.

Includes a storage room on the ground floor and a covered parking space.
